

Orchestra Workshop 8.3.17

Mrs Thompsett runs orchestras at Hollybrook Junior and Wordsworth Primary and Leo Sharpe runs the orchestra at Shirley Junior.

Each year for the past three years we put on a Prom Concert in the Summer Term with choirs and orchestras from the schools in JET.

This year, as it is Wordsworth's first year of having an orchestra, we decided to combine the junior orchestras to have a special playing day, with the plan of performing together at this summer's JET Prom Concert on 3rd July.

Southampton Music Hub kindly paid for three musicians from the BSO to join us for the day to provide some coaching expertise.

The day was a great success, both musically and socially. The children who took part had an amazing day, their concentration and effort was superb and the musicians from the Bournemouth Symphony Orchestra who came in to coach them were so impressed by their behaviour and attitude to music making.
